Founded in 1952, Le Bonheur Children's Hospital is the Mid-South's first and only comprehensive pediatric medical facility. Every year Le Bonheur treats 130,000 children from across the country and throughout the world. Le Bonheur is home to one of the nation's 10 busiest pediatric emergency departments and hosts one of the largest pediatric surgical brain tumor programs. The new \$340-million Le Bonheur will open for patients in early December. The 610,000-square-foot facility significantly increases the space for patient care, research and teaching. For more information, please call (901) 287-6030 or visit www.lebonheur.org.
