

# Artie Artichoke's Refreshing Summer Word Search

Hey there, this is Artie Artichoke and I've cooked up a word puzzle for you. I scrambled up all the letters and then flipped them up in the air. They all landed as whole words or phrases...and can be found spelled horizontally, vertically, diagonally, forward, or backward. They will always be in a straight line. See how many you can find. Circle each word or phrase. I'll give you some help, by giving you a check list.
