Practice Based Pediatrics Conference

Combined with the Etteldorf Symposium

March 31-April 1, 2022

Le Bonheur Children's Hospital • Memphis, Tennessee

Course Description

This seminar has been designed to encompass state-of-the-art practices, education, guidelines and trends in pediatrics with a focus on practice-based care for the primary care physician. Clinically and academically oriented faculty will address relevant issues and provide valuable information and insight into conditions and situations commonly presenting in pediatric patients and clinical settings.

Target Audience

This course is designed for pediatricians, family physicians, nurse practitioners, nurses and other healthcare professionals interested in advancing their knowledge about innovations in the treatment of children.

Faculty Disclosure

As a provider accredited by The Accreditation Council for Continuing Medical Education (ACCME), Methodist Le Bonheur Healthcare must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director, planning committee, faculty and all others who are in a position to control the content of this educational activity are required to disclose all relationships with ineligible companies. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these financial relationships or absence of relevant financial relationships will be disclosed to the audience.

Accreditation

Methodist Le Bonheur Healthcare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit

Methodist Le Bonheur Healthcare designates this live activity for a maximum of 10 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 8.5 hours in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Tuition

Registration fee is **\$195.00** for physicians, **\$125.00** for NPs and PAs, **\$100.00** for nurses and free for residents and fellows. Fee for non-healthcare professionals is **\$95.00**. Methodist Le Bonheur Healthcare reserves the right to alter, reschedule or cancel this program should circumstances so dictate. For further information, call **(901) 516-8933** or visit **www.methodistmd.org**.

Conference Materials

Conference materials will be emailed out the week following the conference.

Course Alterations

Changes in the program faculty, topics and/or schedule may be necessary. These may occur without notice when time does not permit notification.

50 N. Dunlap St.
Memphis, TN 38105

Thursday, March 31, 2022

12:30 p.m. Check-in/Registration

1 p.m. Welcome, Opening Remarks and Disclosures
Michael Wiggins, MBA, FACHE
Le Bonheur Children's Hospital President

Moderators: Jason Yaun, MD, and Bindiya Bagga, MD

1:15 p.m. Recurrent Immune Deficiencies/Infection Workup
Jay Lieberman, MD

Objectives:

- Recognize common presentations of immune deficiencies
- Identify screening lab work for immune deficiencies

2 p.m. Pediatrician's Role in Mental Health Services
Allison Ford, MD

Objectives:

- Identify screening tools used in the primary care setting
- Explain how the COVID-19 pandemic has contributed to increased anxiety and depression in pediatrics

2:45 p.m. Break

3 p.m. Physician Pearls: Lessons Learned - Noel Frizzell, MD

Objectives:

- Offer reflections and perspectives from a 40-year history of pediatric practice
- Discuss the future direction of general pediatrics

3:45 p.m. Allergic Rhinitis - Catherine Hammond, MD

Objectives:

- Review the different types of rhinitis
- Discuss epidemiology and treatment of allergic rhinitis

4:30 p.m. Adjourn

Friday, April 1, 2022

7:30 a.m. Breakfast

8 a.m. Welcome, Opening Remarks and Disclosures
Jon McCullers, MD

Moderator: Michelle Bowden, MD

8:15 a.m. Etteldorf Lecture: Transgender and Non-Binary Inclusivity: Why, Who and When
David Inwards-Breland, MD, MPH

Objectives:

- Examine the medical and psychosocial complexity of gender-expansive youth
- Apply best practices in the care of gender-expansive youth
- Develop a framework to advocate for gender-expansive youth

9:15 a.m. Autism: Identification and Management for Primary Care
Toni Whitaker, MD

Objectives:

- Understand components of autism surveillance and screening in the primary care medical home
- Describe diagnostic criteria for Autism Spectrum Disorder (ASD)
- Review common medical issues associated with ASD

10 a.m. Break

10:15 a.m. Long Haul COVID-19 and MIS-C - Ranjit Philip, MD

- Objectives:
- Review the clinical presentation of MIS-C
 - Identify the chronic sequelae of COVID-19 infections in the pediatric population

11 a.m. Bariatric Surgery - Ying Weatherall, MD

- Objectives:
- Define obesity and understand its prevalence in the U.S. and our region
 - Discuss multi-disciplinary care of obesity including bariatric surgery and advocate for early referral to a weight management program for patients of all ages.

11:45 a.m. Lunch

Moderator: John Purvis, MD

12:30 p.m. From a PL-38: Perspective and Pearls - Tim Gillespie, MD

- Objectives:
- Develop an appreciation for the tradition of the education and training program
 - Improve and refine skills in history-taking and physical exam, using tips from others

**1:15 p.m. UTHSC Distinguished Alumni Award Presentation
Tim Gillespie, MD, and Bindiya Bagga, MD**

1:30 p.m. Prep Treatment - Aditya Gaur, MD

- Objectives:
- Describe the rationale and options for HIV pre-exposure prophylaxis (PrEP)
 - Utilize evidence-based guidelines and safety and efficacy data to initiate and monitor PrEP

2:15 p.m. Break

2:30 p.m. Your Baby is Perfect: Because Imperfections Make Them Unique - John Purvis, MD

- Objectives:
- Review unusual findings that can be managed by the primary care pediatrician
 - Review unusual findings that need further evaluation and/or referral to a subspecialist

3:15 p.m. Headaches - Ankita Ghosh, MD

- Objectives:
- Discuss epidemiology, pathophysiology and prevalence of migraines
 - Discuss ICHD 3 diagnostic criteria and AAN/AHS 2019 outpatient pediatric migraine management guidelines

4 p.m. Abdominal Pain - Mark Corkins, MD, FAAP

- Objectives:
- Develop a diagnostic evaluation of a child with abdominal pain
 - Initiate the appropriate therapies for abdominal pain

4:45 p.m. Adjourn
