

Young Academicians Group 2019

Goal: To help inform new faculty colleagues on academic life in areas frequently not talked about in residency and postdoctoral fellowships. These sessions will be one hour/month, informal, with a more senior faculty doing a 20-minute chalk talk followed by Q&A/facilitated discussion by senior expert(s).

Day/time: 3rd Tues of month 5-6 PM

Location: Freeman Auditorium, 3rd floor 930 Madison Building

Food: yep

- October 15, 2019
