Methodist Le Bonheur Healthcare Continuing Education Opportunity:

Introduction to Infant Mental Health

Presented by:
Mindy Kronenberg, Ph.D., IMH-E

When: Thursday, May 10, 2018 | 6:00 pm – 8:00 pm
Where: Le Bonheur Children’s Research Foundation
50 N. Dunlap Memphis, TN 38103
Course Location: Teleconference Room

(Disclosures: Dr. Kronenberg is a self-employed clinical psychologist for which she receives a salary. Dr. Kronenberg has professional affiliation with AIMHiTN as an Endorsement Committee Co-Chair.)

This field of infant mental health is becoming increasingly recognized as public policy advocates acknowledge the importance of the early years and the impact they have throughout an individual’s life (from early brain development to long term health consequences) and the Association of Infant Mental Health in Tennessee (AIMHiTN) has adopted Endorsement® Standards for IMH professionals. This presentation will introduce the field of infant mental health, focusing on 1) defining infant mental health including its core tenets and 2) how providers can utilize IMH tenets to promote optimal early childhood development.

Cost: FREE for MLH Employees, $30 for all other attendees.

This program is offered for 0.20 ASHA CEUs (Introductory Level, Related Area). This course has been submitted for approval to the TN Association for Physical Therapists (TPTA) for 0.20 CEUs.

Registration: Please register at https://events.methodisthealth.org/MLHCE by Monday, May 7 2018, to reserve a place at this event. If you find that you cannot attend, cancelation is required via email at mlh.cont.ed@gmail.com by Monday May 7. You will receive a refund equal to the cost of the course minus a $5 processing fee. Email Liz Upchurch at mlh.cont.ed@gmail.com with any questions. Parking information will be provided in registration confirmation email.
