

- Visit www.lebonheur.org/safekids for more safety information.

STREETS

- Drivers can see my costume in the dark.
- I'm trick-or-treating in a group.
- I cross streets at the crosswalk or the intersection and always look left – right – left before I cross.
- I carry a flashlight or glow stick so drivers can see me.

TREATS

- I make sure that my parents check my treats before I eat them.

COSTUMES

- My costume is short and snug.
- My shoes fit.
- My costume props are flexible and have no sharp edges.
- The eyeholes on my mask are wide enough so I can see or I use face paint or makeup instead.
